# Hello!

## WE ARE BRIGHTON AND HOVE COMMON AMBITION.

We bring together people with lived experience of homelessness, frontline providers and commissioners through co-production within homeless health services. We want to improve systems, services and outcomes for people experiencing homelessness in Brighton & Hove.

The project is supported by The Health Foundation and the partner organisations are Arch Health CIC, Justlife, University of Brighton, Brighton and Hove City Council Public Health Department and NHS Sussex.

The Common Ambition Steering Group designed and delivered the project. This is made up of people with lived experience of homelessness and members from Arch homeless healthcare, Justlife and the University of Brighton.

WE HOPE YOU ENJOY  
READING OUR COMIC AS  
MUCH AS WE DID MAKING IT!

IN THIS COMIC WE ARE  
ILLUSTRATING SOME OF  
THE DIFFICULTIES FACED BY  
PEOPLE EXPERIENCING  
HOMELESSNESS.

### THE STORIES AND THEMES WE ARE COVERING ARE:

#### **The BHCA Alien Story**

This story shines a light on the stigma and judgment people experiencing homelessness face, and how they are alienated from society.

#### **The Fly, the Spider and the System Web**

This focuses in on the barriers to accessing care and support that people experiencing homelessness have to navigate, and offers a solution through co-production.

#### **Captain Co-Production: The Origin!**

This comic showcases the power and importance of co-production, with our superhero duo representing the values of Brighton and Hove Common Ambition. You will discover the importance of sticky notes like this one!

SOMETIMES A METAPHOR IS TOO GOOD NOT TO USE! THESE ARE OUR REFLECTIONS ON WHAT IT IS LIKE TO FEEL ALIENATED AND STIGMATISED WHEN EXPERIENCING HOMELESSNESS, USING **ACTUAL ALIENS** TO SHOW THIS!

ALL OF THE ALIENS IN THE STORY WERE DESIGNED BY PARTICIPANTS IN THE COMMON AMBITION STEERING GROUP!

WHILE OUR HERO HAS BEEN HAPPILY HOUSED, THIS IS NOT THE END OF THE STORY! AT COMMON ACCESS TO ADVICE AND SUPPORT IN RECOVERING FROM HOMELESSNESS AND MAINTAINING A HOME IS ESSENTIAL. A HUB SPACE LIKE THIS OFFERS CONTINUITY, BUILDING ON TRUST AND ESTABLISHED RELATIONSHIPS.

AND OF COURSE, THIS MEANS STILL HAVING A VOICE IN CO-PRODUCING HUB IMPROVEMENTS!

ALL THE BEST SUPERHERO TALES BEGIN WITH AN *ORIGIN STORY*...

SO FOLKS, WE'RE NEAR THE END OF THE MEETING HOW ARE WE GOING TO CELEBRATE THE WORK WE'VE BEEN DOING?

WHAT ABOUT USING ALL THESE POST-IT NOTES? SO MUCH ENERGY WE'VE PUT INTO THEM!

I REALLY LIKE THIS LOGO!

IT WOULD BE GOOD TO SHARE WHAT I'VE LEARNED ABOUT CO-PRODUCTION WITH OTHER SERVICE STAFF.

\*LOOKS A BIT STORMY TODAY...

***NOW IN COMIC FORM!***

***WHAT ARE ALL THESE ALIENS DOING IN A  
COMIC ABOUT HOMELESSNESS?***

***WHY ARE THERE FLIES EVERYWHERE?***

***DO THEY REALLY USE PUBLIC TRANSPORT?***

WHILE THE MEDIUM IS LIGHT-HEARTED, THE MESSAGE IS IMPORTANT: THE VOICES OF PEOPLE WITH LIVED EXPERIENCE NEED TO BE HEARD. OUR COMIC OFFERS THREE STORIES THAT HELP TO ILLUMINATE WHY THIS IS SO.

This comic was co-produced during the summer of 2023 by the Common Ambition Steering Group to celebrate and share the work they have been doing. The steering group is made up of people with lived experience of homelessness and members from Arch Health CIC and Justlife, joined by the University of Brighton to help deliver the project. Our comic hopes to show what experiencing homelessness is like, and what can be done to improve services by working with people with lived experience.

People who took part in making this comic were:

- Jon Bailey, Steven Brown, Jude, Bex, Nicky Pyper, Jules Grenville, Nicki Menin and the rest of the Common Ambition steering group.
- Tom Roberts from the University of Brighton, supported by the ESRC through the South Coast Doctoral Training Partnership.
